MEMORANDUM # 17-01

April 11, 2017

TO: Area Agency on Aging Directors
Maryland Access Point Staff

FROM: Dina Gordon, Deputy Secretary 

SUBJECT: Update on Eligibility Requirements for Select Income-Based Federal and State Programs

The Maryland Department of Aging periodically informs the Aging Network about changes in eligibility criteria for various income-based Federal and State programs that can benefit older adults and adults with disabilities. This memorandum is to alert you about eligibility criteria changes. The attached chart outlines income criteria for "individual" and "couple" households. For larger households, eligibility criteria may be obtained from the individual programs. Dates for eligibility level changes vary by program, and are noted on the chart. Occasionally, new programs are implemented or date changes for existing programs may not align with the periodic updates. MDoA tracks such changes and will endeavor to keep you informed through this Memo which is released twice a year on January 30th and June 30th.

To find the latest memoranda and chart, start on the home page of the MDoA's website, www.aging.maryland.gov. Go to "For Professionals" in the left column, and click on "Eligibility Criteria for Federal & State Programs."

MAP Specialists include Information and Assistance staff and Options Counselors. They work with a wide range of consumers, including older adults, family caregivers, and adults age 18 years and older with disabilities. There are three ways to access MAP.

1. Call the statewide toll-free phone number at 1-844-MAP-LINK (1-844-627-5465).

FIA ACTION TRANSMITTAL

Control Number: # 17-6

Effective Date: October 1, 2016

Issuance Date: September 8, 2016

**TO: DIRECTORS, LOCAL DEPARTMENTS OF SOCIAL SERVICES
DEPUTY/ASSISTANT DIRECTORS FOR FAMILY INVESTMENT
FAMILY INVESTMENT SUPERVISOR AND ELIGIBILITY STAFF**

FROM: TRACEY C. PALIATH, EXECUTIVE DIRECTOR

**RE: FOOD SUPPLEMENT PROGRAM (FSP) MASS CHANGES
OCTOBER 2016**

PROGRAM AFFECTED: FOOD SUPPLEMENT PROGRAM

ORIGINATING OFFICE: OFFICE OF PROGRAMS

SUMMARY

Each August, the United States Department of Agriculture (USDA) publishes the updated standards for income and deductions for the next federal fiscal year (FFY). Only two deductions will change in FFY17. Effective October 1, 2016, standard deductions for households of one to three and excess shelter deductions for the Food Supplement Program (FSP) will increase.

The standard deductions for households of one to three increased slightly to **\$157**. The standard deductions for households of four remains at \$168 for a household of four, \$197 for a household of five and \$226 for households of six or larger. The new FSP excess shelter deduction increased slightly to **\$517**. CARES will automatically generate customer notices for increases at the time of the mass change in September 2016.

This Action Transmittal (AT) replaces AT 16-06.

ACTION REQUIRED

Attached are the updated income and standard deduction FSP manual pages reflecting the new standards effective October 1, 2016.

Reminder: The homeless shelter deduction remains at \$143. Households in which all members are homeless, but who do not receive free shelter, qualify for the standard homeless shelter deduction of \$143.

Use actual shelter expenses, rather than the homeless shelter deduction, if the actual shelter costs result in an excess shelter deduction that is higher than the \$143 homeless deduction.

Food supplement benefit recoupment amounts do not require action by case managers. The only exceptions are recoupment cases when the payment plan source is grant reduction (GR) or court order (CO). CARES generates a report identifying these cases. Case managers must then manually update those identified cases.

PAYMENT ACCURACY

The changes in income and standard deduction for FSP benefits will not affect payment accuracy.

INQUIRIES: Please direct FSP policy questions to Vera Lynch at 410-767-7953 or vera.lynch@maryland.gov and CARES questions to Maryann Maher at 410-238-1363 or maryann.maher1@maryland.gov.

600.4 Determining the Food Supplement Program Allotment

A. Determine a household's monthly food supplement allotment by using the Basis of Issuance Tables:

1. Calculate the household's net monthly income.
2. Compare the household's net monthly income to the maximum net monthly income standard, Column B below. Households that are not categorically eligible for food supplements will have net monthly incomes that are lower than or equal to the amounts shown in Column B.
3. Find the allotment by reading in the Basis of Issuance Tables, down to the appropriate income and across to the appropriate household size.

NOTE: A household that is categorically eligible is entitled to any allotment shown in the appropriate column on the tables. Persons in household sizes of one or two and categorically eligible are eligible for a benefit of **\$16**, even if the tables do not show a benefit amount at their net income levels.

Household Size	Col. A	Col. B	Col. C	Col. D
